MWT Global Consultancy:

Your Roadmap to Success!

As a core subsidiary of HCI Group, Australia based in Melbourne, MWT Global Consultancy LLC Dubai was established with the vision of providing exceptional education and immigration consultancy services.

Whether you are looking to study, work, or settle in a new country, the team at MWT Global Consultancy provides end-to-end personalised services to facilitate a smooth transition.

Opening the Doors to a Global Education at MWT Global Consultancy,

We strongly believe in the transformative power of education to open doors of global opportunity and enrich lives.

Our track record is testament to the success stories we have scripted for countless students, guiding them to prestigious universities abroad and aligning them with their desired study programs not only in the healthcare field but also in domains like Engineering, Management, Pure Sciences, and Arts, among others.

Navigating the Complexities of Migration and Visa Applications

Our migration and visa services are unparalleled. Our team of seasoned consultants offers end-to-end visa and migration services for various categories, including

- ◇ [Student Visas](#)
- ◇ [Work Permits](#)
- ◇ [Permanent Residency](#)

We stay updated with the latest immigration regulations and requirements, ensuring accurate guidance and support throughout the entire process. Our exceptional success rates in visa approvals set us apart in the industry.

Pathways to Your Perfect Career and our support doesn't end there!

Through our vast network of trusted partners, including institutes, healthcare facilities, and agencies worldwide, we go the extra mile by providing comprehensive job placement assistance for healthcare professionals. With a genuine commitment to making a positive impact on their future, we help students and professionals to get the competitive edge in the global market.

The People Behind Our Success

MR. BIJO KUNNUMPURATH

Founder, Managing Director & CEO, Health Careers International Group

Mr. Bijo K. is the Founder, Managing Director and CEO of Health Careers Group. His demonstrated passion towards education, entrepreneurship, and technology has shaped the vision of the HCI group, Australia. Equipped with a Master's in Business Administration and qualified in Mechanical Engineering, Bijo has had extensive project management and business management experience in a career that has spanned over three decades. By leveraging this experience, he has enabled new and innovative programs that have made a significant impact in career-focused healthcare training. He is a member of GIACD (Graduate of the Australian Institute of Company Directors).

MR. DINI DOMINI K

CEO, MWT Global

Mr. Dini Domini has been part of the foundational leadership team of the Health Careers Group of companies from inception and has played a key role in creating the company vision and direction. On proving his mettle as a leader and visionary, he was elevated as CEO of the MWT Group in 2015. A mechanical engineer by profession, Dini gained vast exposure and multidimensional business insights from diversified business sectors across India, UK and the Middle East. His impeccable interpersonal and administrative skills have helped boost the vertical and horizontal growth of the organisation.

MR. MOHAN DAS

Operations Director, HCI Group, India

Mr. Mohandas is known for his dynamic leadership, strategic planning and problem-solving skills. Mohandas has around 30 years of experience in the education and information technology service sectors in India and abroad. A Bachelor of Arts degree holder, he provides leadership, management and operations expertise on the overall functioning of the company. Skilled at motivating and building successful teams with innovative management techniques, Mohandas has succeeded in enhancing the company's revenue and profitability.

MR. JOHN LAU

COO, Strategic Partnerships, HCI Group

John, who currently holds the position of COO at HCI group Australia, possesses 20 years of expertise in establishing partnerships between universities in Australia, the UK, and the EU. Furthermore, he boasts extensive experience in recruitment and mobility within South-east Asia, China, and India.

At MWT Global, we are focused on guiding students towards making informed decisions for their overseas education. With our extensive expertise in the field, we have established ourselves as a trusted resource, and will do all we can to help you gain admission in your chosen study program in reputable universities across the globe.

Our team of counsellors and education experts understand what you need to get ahead.

We put you, our customer, at the centre of all we do, and go the extra mile to ensure that we connect you with your best possible education and career options.

We assist you in International Education loans, Forex services, Accommodation services, Scholarships, pre departure orientation etc. In doing this, we transform your future and help you stay ahead of the competition!

Immigration Services to CANADA, AUSTRALIA & NEW ZEALAND:

Turning Global Aspirations into Reality!

Applying for a visa can often be a complex and harrowing process, requiring careful attention to detail. MWT's licensed immigration consultants possess specialized knowledge and skills that significantly reduce your stress, smoothing mandatory processes for your convenience.

We advise you on the easiest pathways and help you to determine the most suitable visa for your specific circumstances, avoiding potential mishaps and pitfalls.

Incomplete or inaccurate visa applications can lead to significant delays and may even require re-application. Our team of migration experts stay on top of migration rules and regulations, ensuring that you do not lodge an invalid application. You may be requested to provide further information or attend interviews by the relevant authorities during the visa process.

Our expert consultants, being well-versed in these situations, are best positioned to guide you through such challenges, ensuring a smoother and more successful visa application experience.
